## From The Editors

Words, words and more words with the occasional picture - that's really all that you will get inside this issue of your magazine, as with all previous editions. Again, many of the words confirm what most of us have long known about our community: that it is very caring and considerate - even confirming that this village has a heart.

Last month we launched a new column about *A Book I Will Always Remember* with a personal reflection on *Jane Eyre* by Charlotte Brontë written by Caroline McLean and already reverberations have been felt in the village. Caroline tells us that a friend of hers left another book on her doorstep with a note saying that, following her recollections about reading *Jane Eyre*, she would probably enjoy this book as well.

This month's contribution on [page 24](#) comes from David Sweet with some lovely boyhood memories about the effect that Arthur Ransome's *Swallows and Amazons* had on him. With a school friend, David was sufficiently intrigued by the story to write to the publishers to find out where the book was based, eventually leading him to visit some specific areas in the Lake District. We look forward to receiving more contributions from many readers in the village and beyond.

Most readers will also be aware of the craziness of the English language. Only the other day, a bunch of delicious grapes sold by a German retailer in Swindon proudly proclaimed on the packaging that the contents were "honestly grown produce." Many more common examples were discussed and enjoyed at a recent After 8 meeting and we are pleased to include some on [page 27](#). For example, why is a guinea pig neither from Guinea nor is a pig? There again, in what other language do people recite a play and play a recital or where your house can burn up as it burns down?

Elsewhere we learn on [page 12](#) that the award-winning Wessex Male Choir will raise the roof with their singing in St Mary's church to help St Mary's church raise more much needed funds to repair that self-same roof.

On a few, rare occasions the choice of words can best be left to the anticipation and imagination of each reader - as in describing either the story for the next PADS pantomime (see front cover and [page 22](#)) or the 45<sup>th</sup> President of the United States of America.

## NHS Equipment Return Scheme

I wrote in last month's magazine about a new scheme to return unneeded NHS equipment, i.e. crutches, walking sticks, Zimmers etc. to the NHS. BBC's "The One Show" highlighted the problem a few months ago and reckoned that thousands of pounds could be saved by the NHS if this equipment was returned. Great Western Hospital have put a returns scheme in place and saved enough money to be able to employ two more physiotherapy consultants.

Many people are unaware or unable to return these items. That is the purpose of this scheme. If you have any of these items you no longer need, they can be returned to Purton Surgery as they now have a system in place for storing them. If you are unable to get to the surgery, you can contact your Age Concern street warden who can arrange collection for you, or you can contact the Age Concern bus which will pick items up on its route around the village. If you are visiting the hospital at any time, items can be dropped directly into main reception or the physiotherapy department.

If you have any larger items such as beds, wheelchairs with a "Mediquip" label, you can ring the number on the label. Mediquip will arrange to collect the equipment and return it on behalf of the NHS. Please do not return Mediquip equipment to Purton GP surgery.

If you have any queries, or for any more information regarding this scheme, please ring me on 01793 772581.

## Purton & District Age Concern

The time of the monthly minibus to Cirencester has changed, it will now leave the village on the second Friday in the month at 9 am. Please can anyone booked onto this minibus be ready to be picked up just before 9 am. Your assistance will be much appreciated by the driver.

Last month I informed you that 975 Christmas vouchers were distributed, in fact by the end of December 981 vouchers had been given out. A cheque for £981 will be presented to Brighter Futures Radiotherapy Appeal at our committee meeting on Tuesday 7 February at 7.30 pm in the Silver Threads Hall. We are hoping a photographer from the Swindon Advertiser will be present too.

By the time you read this Charlotte our treasurer will have paid out all the local businesses for the Christmas vouchers that were spent in December. Thank you to Charlotte for sorting this out and to the businesses that accepted our vouchers.

Due to the success of our £5 travel vouchers in 2016, we will be distributing them again this year in time for our first outing in April. If you haven't been on one of our outings before, why not give it a go in 2017 and save yourself £5.

You may have noticed posters around the village explaining how to return any unwanted NHS equipment. See the article by Sue Richardson on page 9.

## Purton & District Age Concern Mini Buses

2016 was a particularly busy year especially in the latter nine months with a 25% increase in mileage, and in December alone there were 7 special events and a record number of 18 people were taken to the Age Concern Christmas Party. Out of curiosity I did an analysis of the activities which produced the following information for the whole year.

The total number of bus bookings was 722. This included the following: 177 Surgery visits (the most being in August), 129 Purton Lunch Club days, 56 special

---

requests that include bookings for concerts, coffee mornings, bingo and from The Cedars to visit activities elsewhere in Wiltshire. There were 180 regular bookings like Coffee & Chat, Methodist Ladies, Gardening Club and Evening WI. Finally 180 days of taking people to Day Care in Royal Wootton Bassett.

The mini bus service is run entirely by volunteers – each outing will normally have a crew of two consisting of a driver and shotgun (non driving helper). The first pickups on Day Care days start at 8.30 am, and on Tuesdays and Thursday that 'crew' will continue throughout the day with any surgery appointments then lunch club and finishing with Day Care from Royal Wootton Bassett completing at about 3.30. There are a few regular evening bookings, but additionally we provide transport for village activities some finishing quite late in the evening.

The existing 'Team' is quite small consisting mainly of retired people who commit to either regular duties or 'one offs' as required either as a driver or shotgun. However we do have people who are still employed who help whenever working shifts allow or on weekend and evenings only. Whatever they are able to do is very important to me as Co-ordinator as I take great pride in being able to give support to our passengers when it is needed. If you think that you might be able to give time to the Mini Buses whether as a driver (you just need a normal car licence) or shotgun then please give me a call and have a chat, even if you can only help occasionally you would be made most welcome.

## Purton & Green Gable Surgery - Group for Patients - G4P

### Availability of Doctors

Due to circumstances beyond our control the regular doctors of the Practice are under an extreme workload. The Practice has secured the services of several excellent locums, therefore while appointments are available please be prepared to see an alternative doctor if one of our regular doctors is not available.

When making an appointment please note which surgery your appointment is for - ie Purton or Green Gable, Cricklade Surgery, particularly if you are booking online. It is very easy to attend the wrong surgery - it has been done!

### Next Information Evening

We are planning to hold an Information evening on Respiratory diseases in March – further details to follow in due course.

### Receiving the G4P Newsletter

G4P Newsletters are always sent to our local magazines, however if you would like to receive them earlier then you can do so by email. Simply email G4P on [groupforpatients@gmail.com](mailto:groupforpatients@gmail.com) to let us know.

## Health & Wellbeing Champion: Sunday Lunch Club

**What are you doing on Sunday?** For whatever reason, do you find yourself on your own and that Sunday is an “empty” day?

Whilst on holiday last year, I saw an advert for a “Sunday lunch get together”. It was very informal, no fund raising, collections, membership etc. Its simply a group of people who are alone on Sundays for whatever reason, getting together to have a good meal in good company. In my travels, I know of a lot of folk, young and old, who feel the same, so ... if this is you, get in touch! We had the first “pilot” lunch at The Wiltshire which was enjoyed by all who were there, come and join us or let’s think about getting this going around all of our Community Area? Give me a call on the number below to chat it through.

A new monthly get-together is planned to have their first meeting on **Sunday 19 February at The Wiltshire Golf Club and Hotel, 12.30 for 1 pm.**

If you feel you would like to come along and have some good company along with a fine traditional Sunday roast call me to book a place. Lunch cost is £10.95 and there are no membership fees or fundraising, just good food and good company. Transport can be arranged if necessary.

**This could be for YOU!** No age limit, just a desire to have company on a Sunday.

Meanwhile, as ever, I am around for general help and support on a wide variety of issues including transport, mobility and safety around the home and reducing the feeling of loneliness. Give me a call on 07557 922020 and leave a message. I will get back to you as soon as possible.

## Purton Luncheon Club

Well, the festivities are well and truly over, although it must be said that the Silver Threads Hall was bulging at the seams when members and friends of the Luncheon Club enjoyed a wonderful Christmas meal with all the trimmings and more! A big thank-you to all the volunteers who did such sterling work and we were delighted to welcome students from Bradon Forest who helped serve at table and a group who entertained us so beautifully with carols.

At the start of a new year we look towards the coming months when plans have to be made and budgets set. We shall be asking members for menu suggestions and how we might improve what is already an excellent service for our more mature Purton residents. Inevitably our running costs have increased over the last twelve months so the cost of a freshly cooked two-course meal plus tea or coffee from the beginning of February will be £4.50.

In March, we be inviting our existing members to bring along a friend, and the two of you can eat for the price of one (one session only!).

Last, but not least we still need a new secretary! Full details appeared in the January edition of this magazine on page 28. If you can help or require more information, contact Diana on 770642 or email [diana.thombs@btinternet.com](mailto:diana.thombs@btinternet.com)

## Knit-A-Square (KAS)

### **& Mama Ntombi's Community Projects (MNCP)**

On 12 November we raised £417.51 at our stall at the Silver Threads Table Top sale. This included financial donations as well as proceeds on the day. Thank you to everyone who supported us on the day and all who gave financial donations.

It's been a while since I gave you news about Knit-a-Square so I thought a review of last year was needed. During 2016 we shipped the following items to orphans and vulnerable children in South Africa.

129 blankets (each blanket was stitched together using 35 squares, so 4,515 squares were used).

Also 990 squares, 43 fleece sleeping bags for babies and young children, 335 hats, 306 pairs of hand warmers/gloves, 158 jumpers/cardigans, 562 cuddly toys, 46 pillowcase dresses and school uniform dresses/skirts (each dress is sent with a new pair of pants), 35 navy blue scarves and 33 bags (part of the school uniform), 326 stationery items and finally 252 new plastic drinking tumblers so the children can be given a drink during the weekly Sunday Church Service on the informal settlement in Pietermaritzburg.

I would like to thank everyone who is part of Knit-a-Square in Purton and beyond, all our amazing knitters, crocheters, blanket stitchers, sleeping bag and dress makers and financial and event supporters. When I started this group in 2014 who would have thought it would be so successful? But it's all thanks to the kind and generous community that we live in.

Finally, the first shipment of 2017 will have set sail by the time you read this and on Saturday 11 March I will be holding my 3<sup>rd</sup> annual Coffee Morning from 10 am to 12 noon in the Silver Threads Hall. Please come along and see the latest photos of the children wearing the items you have made. Thank you.

## Shoebox News

### **Operation Christmas Child**

31,000 filled shoe boxes were sent to various countries from the Wiltshire warehouse in Westbury. Our boxes went early in November by container ship to Liberia in West Africa. At the end of 2016 OCC, were able to resume the distribution of shoe boxes to children in Liberia after being unable to enter the country in 2014/15 due to the Ebola virus.

Education in many areas is a bit 'hit and miss' and supplies for their needs can also be scarce. So, it is very satisfying to know that each of our boxes had a pencil case full of their requirements, along with note pads and paper.

I doubt I need to say this, but the 2017 project started in January. So, if you see any bargains that you think are suitable and would like to get involved, I am happy to accept them at any time.

My favourite Christmas present this year was 60 tubes of toothpaste and 60 tabs of soap. Well, it was much more acceptable than bubble bath and the wrong size slippers that's for sure!

## Re-roofing at St Mary's Church - Update

In the October issue of the Magazine we described the start of a major re-roofing project at St Mary's Church – to repair and replace the stone tiles on the Chancel roof. So, how have things progressed? Well, there is nothing to see at the church yet ... but things are happening behind the scenes. The architect has prepared the project specification and is now starting on the tender documents. We've appointed an ecologist who has carried out a bat survey and provided advice on the implications of the work on local bats and on the measures we should take to maintain the favourable conservation of the local population of bats. In addition, a faculty application (the Church of England's Planning Application process!) is in progress.

Hopefully, we will be in a position to invite tenders in the next couple of months.

The total project cost, including architect and consultant fees, is likely to be over £100,000. A big sum! – but it's work that must be done to preserve our village church for both present and future generations. We are fortunate that much of the cost will be covered by grants leaving about £10,000 to be raised locally so that we still have the reserves to continue to maintain and start to renew the church building for the future.

A future social event to take place in St Mary's Church will be a concert by Wessex Male Choir on Saturday 11 March at 7.30 pm. A concert not to be missed! Details are in the article below.

For anyone who would like to make a direct bank transfer to St Mary's Roof Fund, please contact our treasurer, Berta Legg on 01793 772587 or email [robertalegg2@gmail.com](mailto:robertalegg2@gmail.com). Alternatively, simply drop a donation in a sealed envelope marked "Roof fund" at The Vicarage, 2 Hyde Lane, Purton. ## Purton Methodist Church

We had our Covenant Service on 8 January; at that service we could renew our faith in God and it gave us new beginnings in our Christian lives for 2017, the service was led by Rev. David Perkins.

On 11 January, it was our Ladies Fellowship and the speaker this month was Hazel Woodbridge, talking about Carriage Driving. Thank you, Hazel, who not only drives the bus for us but carriages as well. Our February meeting is on 9 February when Jackie Parker will be the speaker telling us about Heatherbank Primary School "Bridges the gap". Our meeting starts at 2.30 pm.

Our Sunday services are at 10.30 am – all are welcome to the service and to enjoy a nice cup of tea and a chat afterwards.

They will take the usual format of being held at the Purton Methodist Church from 11.45 am to 1.00 pm, with a menu of

- soup
- jacket potato or bread roll, with cheese and salad

- ... and of course, CAKE.

Look out for the posters and a reminder of the dates next month.

## Prayer for Purton

This month the churches in Purton are praying for everyone who lives or works in *Blacklands, Red Gables, Highridge Close and The Masons*

If there is anyone or anything that you would like us to pray for during our Sunday worship, please contact Revd Ian Tweedie-Smith, Revd Judith Wells or Rev. David Perkins. Their contact details can be found on the inside cover of this magazine. You can give as much or little information as you wish. We don't even have to know a name.

## St Mary's Fellowship of Women

I expect regular readers of this magazine will have noticed in the centrefold calendar under 'Purton Diary' that there is a meeting of St Mary's Fellowship every 3<sup>rd</sup> Monday of the month. We are a group that is part of St Mary's church and have been meeting for nigh on 30 years – originally in the homes of members but now membership has expanded to 30+, we hold our meetings at the Purton Methodist Church in Play Close.

We have over the years raised money for local charities and are involved with the Shoe Box Charity that Sylvia Freemantle works so hard for.

Our programmes are eclectic and usually quite a lot of fun. This year we are listening to an ex-Metropolitan and Special Branch policeman – a talk on quilting; meteorology; and re-homing of hens to mention just a few!

So, if you would be interested in coming along, we will be very welcoming to you. Our annual subscription is £20. We do have tea, coffee and biscuits at each meeting and we have time for a little 'gossip'.

The meetings start at 7.30 pm. Note: First meeting 20 February.

*SUSAN BERRY, Secretary*

## Purton Evening WI [purtonevewi.wordpress.com](http://purtonevewi.wordpress.com)

Hopefully by now you have shed those extra ounces/grams that we inevitably put on over the Christmas period and you will be all set to come to our Pudding Evening. An array of homemade puddings will be on offer for you to sample as well as cheeses for those who don't have a sweet tooth. We shall transform the **Silver Threads Hall** into Pudding Heaven on **Friday 17 February at 7 pm**. Tickets at £6 will be available from Barb tel. 770818 and Anne 772365, and on the door (but you could be disappointed if you wait until then!). Tea and coffee will be available but if you need something stronger please bring your own alcohol.

Our December gathering seems like a distant memory but apart from being our Christmas meeting it was also the anniversary of when Purton Evening WI was formed 51 years ago so it is our Birthday celebration as well. We had a lovely meal and superb entertainment, so our thanks to John and his team from Hospitality Services and to Graham and the gentlemen of the After 8 singing group. We now have to put our thinking caps as to how we celebrate next year?

Our next meeting is on Wednesday 15 February when we welcome Keith Walker who will tell us about life treading the boards with his talk 'There's No Business Like Show Business'. Bring along any old theatre programmes you may have and we shall ask Keith to select the one he thinks is the most interesting.

This is at our regular venue – Purton Village Hall at 7.30 pm.

## Swindon's Male Choir Giants join forces

For the first since their formation, two renowned Male Choirs will share the same stage at Swindon's MECA on 25 March, where Swindon Male Voice Choir and The Wessex Male Choir will host an evening of top quality music and entertainment.

The concert promises a sparkling programme of classic male choir pieces along with popular songs from the world of music theatre and opera performed by two award winning choirs. The Wessex Male Choir were Gold Cup winners at the 2016 Cheltenham Festival of Performing Arts and male choir class winners at the 2016 Mid-Somerset Choral Festival

Wessex Male Choir's chairman Guy Edwards says; 'We are delighted to be hosting a joint concert with Swindon Male Voice Choir. This will be a great evening of music with a few surprises, and we look forward to singing some rousing joint numbers with over 100 voices – it will be a sound to stir the soul!'

The two choirs will be joined by The Cirencester Kingshill Advanced Singers led by Jon Driver, the Head of Music at Kingshill school and who is principal accompanist for the Wessex.

Doors open at 7 pm and tickets for the event are priced at £12.50 and are on sale now from Swindon Central Library, Regent Circus; from the Wessex on 01285 869955 and Swindon MVC on 01793 822495; or [tickets@wessexmalechoir.co.uk](mailto:tickets@wessexmalechoir.co.uk) or [Swindonmalevoicechoir@msn.com](mailto:Swindonmalevoicechoir@msn.com).

## ■ 80TH BIRTHDAY

A big Thank-You to all my relations, neighbours and friends for all the cards, good wishes, presents and flowers given to me for my 80<sup>th</sup> birthday. My lounge was just like 'Covent Garden', all so beautiful.

Also many thanks to The Pear Tree for an excellent meal and for making us so welcomed.

Lastly to Janet and Catherine for all their support and help in making my birthday a weekend to be remembered always.

Love to you all,

*Vivien Lawrence*

## ■ HELP NEEDED

I am a 50-year-old man with Downs Syndrome. I live in a flat attached to my parents house. I enjoy socialising, pool, ten-pin bowling and going to the cinema, etc.

I need someone who is caring and fun, to help me run my home and my life.

£10 per hour, 22 hours per week, plus 8 weeks respite a year. Essential car mileage paid. I would consider a job share.

*Call Rick on 01793 770065*

## ■ HOSPITAL STAY

Ken and I would like to thank everyone for the kindness shown during and after my stay in hospital before Christmas.

The many offers of help, telephone calls, gifts and the lovely Get Well cards were all very much appreciated.

*Margaret Carter*

## ■ RECENT TUMBLE

I would like to say a big heartfelt thank-you to everyone who has helped me following my recent tumble which resulted in me breaking my arm.

I have been amazed by all the kindness and support I have received from so many wonderful friends; for the lifts and errands, meals, flowers, gifts, cards, the visits and phone calls and of course for walking Brewster for me.

Bruce was right when he said that this village had a heart and I thank you all from the bottom of mine for everything you have done

With love and best wishes to you all

*Val D'Arcy-Masters*

## ■ RED HOUSE

Initially, I would like to thank the team for their efforts in creating and distributing a great magazine. Long may it continue!

I have just received a request from the Red House Social Club which is located in the Village Centre which incorporates the War Memorial. The letter was about the Social Club Annual Renewal, due in Jan 2017 and was a 'Request for your assistance to help by way of a donation of maybe £10 or, as a regular user of the Club, you may wish to pay the full renewal fee'.

I feel that should we lose this

facility, we would as a village, live to regret it, as so much takes place there with so many organisations involved. It is without question a 'Hub' of the village and to see it lost would be a travesty! As we know so very well, the 'Rental' for this type of facility and Licensed Premises is, to say the least expensive. If we lost the facility, the 'Rental' is lost so I feel that we although we have to pay 'Rental', we owe it to ourselves within this great village to do all we can to help maintain the use of the facility. How? Well, I am sure that many people like my Wife and myself, (who receive free membership), have already made up their minds to give a 'Donation' etc, but we are going to pay

the Full membership fee of £18 to try, along with others, to keep it going for many more years. Whether there could be a concession on the 'Rent' I don't really know as I am unaware of the circumstances, but I know that the Village Centre/War Memorial Charity will still exist whether the Red House Club stays or goes. That said, the lack of 'Rent' from the club will leave a hole in the Charity's finances. So can we help to make a difference all round?

Make a 'New Year Resolution', 'Support the Red House/Village Centre!' You know you want to!

*Chris Glead*

## Cricklade Revealed

Thank you all for your support in buying Part Ten – the last of the main series – and helping me raise £1,200 for Cricklade Open Door.

My next project is to complete an *extra* book to cover WW2 (Parts 4 - 7) to contain indexes to these four books, plus extra memories from the war years given to me after they were published. Has anyone any more stories from the Cricklade area - maybe family anecdotes handed down, or childhood memories before they are gone forever? Please contact me on 750542 or e-mail [mfparsons071@btinternet](mailto:mfparsons071@btinternet) if you can help. It would be wonderful to hear from you.

# Great War Project

## Part 43: February 1917

Only one man with a Purton connection was mobilised in February 1917 (to France):

William S Bathe, 116<sup>th</sup> Battalion, Canadian Expeditionary Force. Born Swindon and emigrated to Canada 1913. Next of kin listed as Eleanor née Linsell, of Purton.

**Harry Lewis** was born in Moredon in 1896. His parents were Francis and Harriett Lewis (of Common Platt by 1917). Harry served with the 172<sup>nd</sup> Brigade, Royal Field Artillery and was wounded in action on 31 January 1917 and died of those wounds, aged 20, on 1 February 1917. Harry is buried in Hazebrouck Communal Cemetery. He is remembered on the Purton War Memorial.

**Western Front:** Between 23 February and 5 April, German forces made strategic withdrawals from the front-line positions on the Ancre river to strong positions on the Hindenburg Line between Arras in the north and Laffaux, near Soissons on the Aisne.

### ***Egypt and Mesopotamia***

By the beginning of February, the Senussi troops of Libya, loyal to the Ottoman Empire, had withdrawn to their stronghold at the Siwa Oasis on the western frontier of Egypt. A British column including the Light Armoured Car Brigade (LACB) was dispatched to Siwa, where the armoured cars surprised and engaged the Senussi at Girba (3 February). The Senussi retreated overnight. The LACB entered Siwa unopposed on 4 February. The British force returned to Matruh on 8 February.

On 13 February, units of the Egyptian Expeditionary Force 13 began a raid on Nekhl in the Egyptian Sinai Peninsula to recapture that British regional administration centre that had been occupied by Ottoman forces at the beginning of the war.

In Mesopotamia, British and Indian forces reoccupied Kut-al-Amara on the 23<sup>rd</sup> and the Turkish garrison retreated towards Baghdad.

### ***War at Sea***

On 1 February, Admiral Tirpitz announced the resumption of unlimited German submarine warfare, rescinding the 'Sussex pledge', and 2 days later the United States severed diplomatic relations with Germany. That same day, 3 February, a US liner, the Housatonic, was sunk by a German submarine.

The neutral Scandinavian governments published a joint protest against German submarine warfare on 13 February.

On 21 February, a British troopship, the SS Mendi, was accidentally rammed and sunk off the Isle of Wight, killing 646, mainly members of the South African Native Labour Corps.

On the 25<sup>th</sup>, German destroyers carried out a raid on the Kent coastal towns of Margate and Broadstairs.

Also on the 25<sup>th</sup>, German submarines sank the Cunard liner RMS Laconia, while

---

returning from the USA to England. President Wilson called it the “overt act” for which he was waiting and next day asked Congress to authorise the arming of US merchant ships.

## **USA**

In addition to the American reactions to the submarine war, a new constitution was adopted in Mexico on 5 February and, the same day, the last of the American troops commanded by General John Pershing left Mexico. The new Mexican President Carranza was installed.

In January, Britain had intercepted the Zimmermann Telegram, in which Germany offered to give the American south-west states back to Mexico if Mexico were to declare war on the United States. It wasn't until 24 February that the US ambassador to Britain was shown the intercept, but shortly after, on the 28<sup>th</sup>, the text was published in the American press.

**War Aims:** On 14 February, Britain informed the Japanese government that it would support Japanese claims to German territories north of the Equator if they would support British claims south of the equator.

Also on the 14<sup>th</sup>, the British government announced in Parliament that restoration of Alsace and Lorraine to France was a British war aim.

**Espionage:** Margaretha Geertruida “Margreet” MacLeod was born in Zelle in Holland on 7 August 1876. She is better known by her stage name of Mata Hari, as an exotic dancer and courtesan. She was arrested in Paris on 13 February 1917 on charges of spying for Germany against the Allies. She was convicted and executed by firing squad in France on 15 October 1917.

# Our Family's War

## **A Deferment of Service**

Rick Dixon writes: This is a piece of local history with relevance to the history of my own house and the farm next door. It will be typical of similar small farms and businesses caught up by conscription in the Great War.

A Deferment of Service Tribunal was held in February 1917 on behalf of James Telling Selby an unmarried man, aged 37, and employed as a cowman by Mr Harry Dash of Quarry Road (now known as Quarry Farm, The Hyde). Mr Dash applied for deferment stating that Selby was his only remaining farmhand. The Tribunal's finding was a 'conditional exemption' and James was never enlisted.

As an additional flavour of Purton in the Great War is the following extract from “A history of Quarry House” by David Bisset & Rick Dixon. Harry Dash took over the lease at Quarry Farm in 1903. Dash continued for some years and was still listed in Kelly's Directory as the farmer in the 1915 edition. Edward and Elvira Matthews began farming at the beginning of the First World War while Dash continued to own Quarry House and the attached Honeymoon Cottage. Mervyn 'Blackie' Matthews was born at Honeymoon Cottage in January 1911. He told Rick that he remembered the line of pine trees being planted along Short Hedge

---

footpath. The trees have grown a lot since but he said he was told off for playing leapfrog over those saplings with his mates!

The Great War saw the death of at least three of the Matthews men folk but someone may have brought back from France an 1897 five-centime coin to show family and friends. Unfortunately, this memento of strange faraway lands was lost in the front hedge of Quarry House, only to be found again in good condition when the driveway was widened in 1998. Up until 1922, Quarry Farm had always been farmed by tenant farmers under an absentee landlord. A momentous change came that year when Edward Matthews bought the farm outright from the landlord, by then one Henry Caleb Collingburn, for £2,000.

Harry Dash died at Quarry House in 1927 and was buried at St Mary's.

**OUR FAMILY'S WAR:** We have already received a number of contributions for this feature, for which we are most grateful. If you want to share a memory of your family's life in the Great War, in the forces or the home front, please send it to us at one of the addresses on page 4. The memory doesn't need to be Purton related.

## Purton Carnival 2017

As some of you will know 2017 signifies my 20<sup>th</sup> year on the Carnival committee and I have enjoyed it immensely. However I feel it is an opportune time to stand-down and allow someone else to take it over. So 2017 will be my last year on the carnival and I will resign at the September open meeting.

If anyone would like to join the committee and maybe lead it in a different direction or keep with the same format then please get in contact with me ([Kevin@purtoncarnival.co.uk](mailto:Kevin@purtoncarnival.co.uk)) so I can give you the dates of the next meetings.

I would like to go out on a high, so would encourage anyone who was interested in entering the 2017 Carnival Procession to please also get in contact.

Carnival day is Saturday 1 July

Procession: 12 noon to 2 pm

Fete: 12 noon to 6 pm

Roads closed: Pavenhill, High Street, Station Road (Part), Church Street, Church End.

**Wreckers' Tales – Ship Breakers of the Severn – Paul Barnett**

2015 saw the completion of Paul's Talk 7 'Wreckers Tales'. Paul uncovers the region's shipping fortunes and its ultimate demise at the hands of determined wreckers along the Severn foreshore at Sharpness. We hear stories of vessels driven ashore, be it intentional or by fate, whilst we recall and record the passing of so many by so few – not to be missed the end of this fascinating glimpse into Gloucestershire's long gone maritime past.

## Purton & District Gardeners' Guild

As there was no meeting in December, my report this month is a brief affair and just takes the form of a reminder that Charlotte Fyfe will be joining us on Tuesday 28 February to present a talk entitled 'Keeping Hens in the Garden'.

The competition will be 'A decorated egg'.

As usual our meeting will be held at 7.30 pm in the Silver Threads Hall.

If you are interested in gardening we meet on the fourth Tuesday of each month with a speaker, competition and raffle and welcome new members and visitors. So why not come and join us? The annual subscription for 2017 is £15.

*MARGARET GOODALL, Secretary, 770906 & MOIRA WHITE, Chair, 771656*

## Purton Open Gardens 2017

It is 3 years since the last opening of gardens, an activity that usually makes a few thousand pounds for various local charities. Some new entries would refresh the selection for visitors; gardens do not have to be pristine, weed-free or large but something of interest. Selling goods for charity or even providing cream teas/sandwiches can be accommodated.

A group of residents in one street could perhaps join forces and make a scenic display from the street without having visitors on their property. There has not to date been any trouble with unsavoury characters and we have insurance. We also provide signage and guide leaflets.

We normally open for a whole weekend in June or July – the date is open for discussion. If anyone, past or present, is interested to join or has any questions please contact me on 770552 or email [the.yerburys@btinternet.com](mailto:the.yerburys@btinternet.com)

# A Book I will Always Remember

*Community magazines thrive on information and articles shared most often among their own readers. Purton Magazine is no different and we are so fortunate to receive regular contributions from up to 50 clubs, societies and individuals each month. That said, we are still always on the lookout for other interesting articles and we started this new column in the January 2017 issue in the hope that readers will contact us with contributions for future issues.*

*Most Purton Magazine readers will have read a few books that they will always remember and, each month, we would like to print a review of a book that is particularly memorable to someone, perhaps with a couple of reasons why it has become so memorable. These book reviews can be as short as you wish and probably not much more than 450 words and as personal as you would like to make them. The copy date for each magazine is the 10<sup>th</sup> of the preceding month and our contact details are on page 4.*

## Swallows & Amazons by Arthur Ransome.

I always remember my Primary School teacher telling us the importance of reading, whether it was a comic or a book, it was all about understanding the importance of our English Language. So with this advice I have been an avid reader all of my life; from reading the Champion stories for boys with characters such as Biggles right through to Tolstoy's War and Peace plus many more both fiction and non-fiction. However, I think the first book I read that made a lasting impression upon me was Swallows and Amazons.

Reading about the Walker and Blackett children having wonderful holiday adventures led me into a boyhood fantasy where I could picture myself being a part of that life. Ransome wrote a total of twelve books where the stories about the children went from the Lakes to the Broads and adventures in China.

Swallows and Amazons was first published in 1930 and told the story of the Walker siblings John, Susan, Titty and Roger. They were on holiday at a farm in the lakes and sailed a dingy called Swallow. The Amazon, another dingy, was crewed by the Blackett girls Nancy and Peggy. The Walkers considered themselves to be explorers and set up a camp on an island on the lake. John was Captain and Susan was first mate, in charge of stores and cooking. The Blackett girls, who lived in a house opposite to the Walkers considered themselves to be pirates.

The whole book was a series of adventures between the two families, which led me into imagining I could go and do the same.

My passion was shared by the late Roger Datson. We were at Grammar School together and on our walks home we used to ask each other questions about the stories. We wrote to the publishers to find out the location of the book and discovered the lake was Windermere but the Island was on Coniston. We planned one day to visit these locations but this was of course a boyhood dream. Since then

---

I have visited the Lake District several times and always my thoughts take me back to those wonderful stories.

You may be aware the BBC have made two films on the book, the first in 1974 and the remake in 2016. I hope children who saw them were prompted to read the book and have as much pleasure as I did.

## Purton Magazine 10 Years Ago ...

In our magazine 10 years ago there were two articles about specific houses in Purton and some of the history behind them. One was prompted by an email published in Purton Magazine in the summer of 2006 received from Redwood City in California enquiring about who currently lived at number 64 Station Road – the house where the enquirer was born.

The resultant investigations confirmed that a member of the Shailes family was still living at the same address almost 100 years later, begging the question about any other houses in Purton that have been occupied by several generations of the same family for an even longer period. It's an interesting thought that, while our community is a slowly but constantly changing combination of people, the houses in which they live are often much more permanent – even if periodically modernised and extended.

The other article was from Hector McLean about the history of College Farm House, stretching all the way back to 1625. The name comes from the period from 1736 when George Clarke died and left all his property in his will. Clarke was elected to Parliament as Member for Oxford University in 1687 and served in high office. Although much of his Oxford life was focused on All Souls' College – from his election to a fellowship there in 1680 and well into the 18<sup>th</sup> century – it seems that he fell out with the authorities and bequeathed his property to Worcester College.

There must be many fascinating stories about the different inhabitants of some of the longer standing houses in Purton which would make for some more interesting articles in future issues of your magazine and every contribution is always welcomed.

## Purton & District Probus Club

**On Saturday 3<sup>rd</sup> Dec.** Brian Gill, our Programme Secretary, and myself attended a meeting of about twenty other Programme Secretaries of the area to exchange lists of speakers available in North Wilts, South Gloucestershire and some perhaps from a little further afield. The secretary from Tetbury Probus organised the meeting, which was held at the Rose & Crown at Lea near Malmesbury. Copies of the current year's Speaker lists, from each club, were issued to us, which will prove a very useful springboard for organising a new programme of speakers for the coming year.

**The Annual President's lunch**, was held on 6 December at the Wiltshire Hotel Golf and Leisure complex, Royal Wootton Bassett. The Guests of Honour were Mr John Armstrong and his wife Mary from the RWB Probus Club. Forty-five members and guests attended. David Badcott, our President, welcomed everyone and thanked members of the committee for their input during the past year, particularly newcomer Mr Trevor Domm, who not only joined Purton Probus at the April AGM of this year, but at that time took on the role of General Secretary. Trevor made an excellent job of organising the event and conducted the programme as Master of Ceremonies, creating a sociable and enjoyable occasion. The RWB President called for a toast to the Purton Probus Club. We enjoyed an excellent festive lunch and look forward to an interesting Programme for 2017/18.

At our meeting on **13 December**, four of our members each gave a short address concerning memorable experiences of "Music in Their Lives" and played a record track to demonstrate their choice.

John Lawrence, who joined Probus early this year, recounted his time, from 9 to 14 years when, as a member of his local Church Choir near London, and which had achieved Cathedral Status, they were on occasions invited to sing in Saint Paul's Cathedral. Typical programmes were "The Messiah" and the "St Matthew Passion". The Choir was usually seated close to the orchestra and John said the boys were enthralled at seeing the instruments and musicians close up. An interesting observation is that the Great Dome reverberates for 13 seconds after each note is played. John's choice of music was Bach's Concerto No 4 – Heavenly Music.

Our second speaker, Dr John Belt, remembered an occasion when, called to a patient's house in Cricklade, he lingered in the car to hear out an impressive piece on the radio, for which, at the time, he did not know the title. He hurried to the door when a face appeared at the curtains. Later, whilst on holiday, he heard the tune again, in a busy and noisy Spanish Market. He recalls it as a "Moment in Time". The music seemed to arrest totally the movement and sound of the market as everyone stopped to listen attentively. John's recording was the rumbustious "Chorus of the Hebrew Slaves" from Verdi's Nabucco, a very stirring piece of music.

John Clark was the next member to contribute music. Being an expert on Metal Detecting and the author of a book on the subject, he was inspired to play a track by the Beatles – "Paperback Writer", released in 1966. It was about this time that John was stationed with a tank regiment in Germany and he was lucky enough to be near Hamburg when the Beatles were performing there. John's second lifetime

hobby has been restoring vintage racing cars. In Michael Bowler's book "Classic Cars from around the World", he and his cars feature in a number of the photographs. His second piece of music was the introduction to the 1979 Formula 1 Grand Prix in South Africa with Murray Walker commentating. "The Chain" by Fleetwood Mac replicates the tick-over and roar as the F1 engines accelerate away from the Starting Grid. The tune was reintroduced by the BBC, again for the Formula 1 Racing Programme in 2009.

The last record to be played was chosen by Peter Jinks. Peter told us of meeting his wife Audrey soon after the war in 1945. As a young couple, they were very much in love, but there were a couple of hurdles. Peter was raised a Roman Catholic, while Audrey was C of E. He was keen on Jazz, but Audrey preferred Classical Music. At a Probus meeting this time last year, Peter treated us to some Memphis Blues and Jamming, with the likes of Gene Krupa and Charlie Parker, which he had experienced in Greenwich Village whilst his ship was laid up in New York. He now told us that during their long and happy marriage he and Audrey had learned to compromise both in religion and music. The record, which Peter had come to enjoy and had re-recorded from his set of 12" vinyl discs, was Beethoven's Moonlight Sonata – a soothing closure to the morning.

The Purton & District Probus Club meets on the 2<sup>nd</sup> and 4<sup>th</sup> Tuesday of the month at 10 am in the Red House lounge. Visitors and prospective new members welcome. Programme: 14 February - How to Age Positively, 28 February - Paraguay.

## Purton Guide Dogs

I have been having a few medical problems over these last few months, which meant that I was unable to do a stall in Support of Swindon Branch at the *Christmas at Steam* event. Thanks to the Committee for finding other people, extra to our usual helpers, so that our *January Jumble* was able to go ahead. My grateful thanks to all of you who made it possible. We raised £223.29p, of which £70 was from Barbara and Kim Herron's stall, the one in the corner by the door; they buy and collect all the goods, come over here from Chiseldon, sell them, and give us all the proceeds – amazing! We also had some very generous donations of goods, so our sincere thanks to all who support us both as givers and buyers.

Due to the amount of work involved and none of us getting any younger, we think this will have to be our last *January Jumble*, and we will possibly look for something a little less strenuous that we can do in the summer months.

Many thanks for your continued support.

BRIAN DAVIES, for the Purton Support Group

## Sing 4/4 Success

Choir leader, Mary New, congratulates the Sing 4/4 Community Choir on two sparkling Christmas concert performances at Purton and Cricklade last December. Both concerts were sell-outs, and the Choir has donated £200 each to Brighter Futures (GWH) and Listening Dogs for Deaf People (Wilts).

## After 8

Probably on one of the first autumn evenings when a winter coat was needed, fourteen members arrived at the home of Janet McCarthy to a planning meeting for the year 2017. Many suggestions for future events were forthcoming and within an hour topics and venues were decided upon. Two quizzes, one on the year 2016 and another based on art; the late Christmas meal and Sandra's summer walk as well as the summer social are just a sample of the events to look forward to.

We were promised a 'surprise' arranged by Janet and Avril to round off the evening and this turned out to be a test of our knowledge of countries and their capitals together with other questions, for example a river, known national food and drink and famous authors. A more difficult brain teaser was to describe the national flags. As well as informed answers it was amusing to learn that various types of sausage were put forward as food items when we really did not know the answers and wine and beer named as national drinks in many cases. We learnt that Monaco did not have a river as it is too small and that the majority of flags favoured the colours of red, white and blue. Janet had made a tasty pavlova (named food item for Australia) and Avril provided macaroon biscuits from France.

When our evening came to an end we could congratulate ourselves on completing the business in such an enjoyable way. Thank you, Janet, for your hospitality and Avril, for being such a competent leader for the evening.

*JAN WALKER*

Yet another year has passed so quickly and our December evening of Carols and fun was here once again.

Cathy kindly hosted the evening where 17 of us ladies arrived with our Secret Santa's presents and a beautiful array of food.

Diana started the evening with a Christmas Quiz. According to the UK Meteorological office the last white Christmas was in 2009, John Callcott Horsley designed the first commercial Christmas card in 1843 and Yorkshireman William Strickland is believed to have brought the first Turkey back from North America in 1526. These were just a few of our questions.

Diana then recited to us 'The craziness of our English language'. In what other language do people recite a play and play at a recital? We ship by truck and send cargo by ship. We have noses that run and feet that smell. We find that quick sand can work slowly; we have boxing rings that are square. A guinea pig that is neither from Guinea nor is it a pig.

You have to marvel at the unique lunacy of a language in which your house can burn up as it burns down and in which you fill up a form by filling it out.

Our evening continued with traditional carols and an interlude when Marion and Barbara played us a beautiful duet of Once in royal David's City.

The buffet followed and the Secret Santa gifts were taken from the sack, a book, scarf, a CD of Mamma Mia and a vast selection of other gifts.

Our evening resumed with more carols, The 12 days of Christmas being a highlight. Having difficulty remembering all the gifts given on the 12 day's Cathy

mimed them to us and with much hilarity we managed to get them right. Our evening finished with We wish you a merry Christmas, a fitting and super evening and a good start to the Christmas festivities.

## Purton Rainbows, Brownies, Guides & Rangers

It already seems so long ago to now be reporting on Christmas activities. Both Brownie units held Christmas parties which included making Santa sleighs from candy canes and chocolate/sweets, musical games and of course food. One of the games played by 2<sup>nd</sup> Purton was the chocolate game - was another challenge towards their Chocolate Challenge.

Just before Christmas Maddie and Kanna from 2<sup>nd</sup> Purton Brownies, took Christmas gifts and cards the unit had made to the Lunch Club. Each Lunch Club member received a Christmas card and a pot of bulbs in a decorated bag.

Rainbows have welcomed new members Holly, Katie, Yvie and Zoe. They started the term undertaking activities as part of the RSPB's Big Garden Bird Watch. Bird feeders were made with apples, niftily studded with sunflower seeds. The girls also played Top Trumps and Snap as well as discussing the kind of birds we might see in our gardens.

The Rainbow unit was sad to say goodbye to Leader, Alix Baldwin at Christmas. Alix was one of the Rainbow unit's founder member girls when it started so to be able to return as a Leader was great to bring things full circle. The unit leadership team would be keen to hear from anyone who would be interested in getting involved to volunteer with them.

1<sup>st</sup> Purton Brownies' new members (Jaya, Maia, Freya, Lillie and Rebecca) joined in with games and then finding out what Brownies is all about, whilst the other Brownies wore themselves out finishing off the Agility badge they'd been working on before Christmas.

2<sup>nd</sup> Purton Brownies carried on the games theme at their first meeting in January too: pass the parcel, matching Christmas cards and a memory game using chocolate bars.

The first week back for Guides meant celebrating the New Year with a cheesy party. Cheese and pineapple with cheese savouries accompanied musical chairs and pass the parcel.

## Cricklade Country Market

Our next market is on Friday 24 February between 9 and 11 am, at The Club @ Cricklade.

All our produce is locally handmade, home cooked or home grown so come and find delicious pies and cakes, scones and cookies, jams and pickles and all manner of original gifts. Refreshments are available too.

Please call Nikki on 01793 751845 to place an order or for further information about the market.

## Could you give a little time to guiding?

The Purton Rainbow unit would love an extra adult to join their leadership team. They provide a fun and varied programme of indoor and outdoor activities for the girls who are aged 5-7 years old. The unit meets for an hour a week during school term time.

Full support is given to all new volunteers and the role would suit a job share arrangement for anyone unable to commit to attending every week.

## Purton Cricket Club [purton.play-cricket.com](http://purton.play-cricket.com)

The 2016 season brought many challenges but, in spite of this, our cricketers performed remarkably well.

Playing in the Wiltshire Division of the West of England Premier League, Purton finished in a very creditable fourth place. Players of previous years would be somewhat astonished to see us finish above the likes of Swindon, Marlborough, Devizes or Malmesbury.

The second XIs of the league, with the exception of Trowbridge, were for administrative reasons, placed en bloc into the Wiltshire Cricket League as its Division 7. Our second string performed really well to finish in second place.

Our Youth teams also performed well. A succession of rainy Sundays – when most youth games are played – resulted in a number of cancelled or abandoned fixtures – nevertheless, the u-15s won the county T20 competition and were placed 3rd. in the league. The u13s finished fourth out of ten teams in their league while the u-11s and u-9s all enjoyed some success. Interesting to note that we had four girls registered in our u-11 section. Kenley Thomas is our Youth Chairman and he and his team of qualified coaches and helpers deserve much praise. If you have any doubts about the future of cricket, take a walk up to the ground on a Friday evening in Summer.

*DAVID BISSET*

Winter League continues with the A&B teams doing well, C&D battling along!

We are starting Social tennis on a Sunday morning so if you fancy a hit, please come along. Non-members always welcome.

Our Skittle night with a fish & chip supper will be on Wednesday 8 February at the Red House at 8 pm – come along if you are interested.

Coaching has started back after the Christmas break – see website for details.

Our popular Khaliqie Tournament kindly sponsored by the man himself, will this year be held on 1 May.

Membership is now due so we can see how many teams to enter in the Summer Swindon & District League based on our numbers.
